WORLDWIDE GREETER

FOR ACADEMIC COMMUNITIES

Airport concierge. A welcome that travels with your community.

Personal assistance for students, faculty, visiting scholars and guests - from airport arrival to the next stage of their journey.

A personal welcome. Professionally coordinated.

Worldwide Greeter provides airport Meet & Greet and passenger assistance worldwide. For academic travel, these services can support individual visitors, families and groups with guidance tailored to their itinerary and needs.

WHO THIS CAN SUPPORT

Students & families

International arrivals, unfamiliar terminals and travel with additional luggage.

Faculty & visiting guests

Professional, discreet assistance for scholars, speakers and distinguished visitors.

Groups & delegations

Coordinated assistance across multiple travelers, flights and arrival schedules.

ASSISTANCE THROUGH EVERY STAGE

Arrival

Meet at the authorized location, navigate the terminal, coordinate baggage and connect with prearranged transportation.

Departure

Coordinate terminal meeting, check-in and baggage assistance, with security and lounge support where available.

Connection

Guidance between flights and terminals, with support for onward departure procedures where authorized.

Built around your itinerary

Baggage and porter coordination, curbside assistance, Fast Track, lounge access and chauffeur handoff are arranged subject to local airport requirements.

Explore Services

Services and access are subject to airport rules, authorization and availability. Wheelchair services should be requested from the operating airline at least 48 hours before departure where possible; Worldwide Greeter coordinates with the authorized provider.

WORLDWIDE GREETER

COORDINATED WORLDWIDE

One partner for the airport journey.

Personal attention. Operational oversight. Shared visibility.

WHY TRAVEL ARRANGERS CHOOSE WORLDWIDE GREETER

24/7 live operations

Support for active services, disruptions and time-sensitive itinerary changes.

Centralized management

A corporate portal for reservations, travelers and service activity.

Real-time visibility

Status updates, communication and live greeter GPS during active service.

Dedicated account support

A consistent contact for program requirements and traveler preferences.

Arrange assistance in three steps

01

Share the itinerary

Airport, flight, traveler details and service requirements.

02

Confirm the arrangements

Our team reviews service details, meeting points and airport readiness.

03

Meet your greeter

Receive assistance through the booked completion point.

Plan your next airport welcome.
